**Address:** burj el arab akkar **Phone:**+961 81508734 **Email:** [omarhamzuu@gmail.com](mailto:omarhamzuu@gmail.com)

---

I am a graduate of Information Technology with a renewed passion for all things related to modern technology. I constantly follow technological developments and strive to understand how to harness these innovations to develop solutions and improve efficiency. I believe that continuous engagement with the latest in information technology and adopting concepts such as digital innovation and technological sustainability is what truly makes a difference in modern work environments. I have also completed many projects in my field of specialization

---

## Education

### TS2 certified (INFORMATION TECHNOLOGIE)

2023/2024
